

SUMIT CHAUHAN

Web Developer (Fresher)

+91-7500499149 | sumitchauhan75004@gmail.com | Uttar Pradesh, India | github.com/sumit/7500 | yourwebsite.com

OBJECTIVE

Motivated BCA student and web development learner seeking opportunities to build responsive, user-friendly websites using HTML, CSS, and modern frontend technologies. Eager to contribute fresh ideas, a strong work ethic, and a growing skill set to a collaborative development team.

SKILLS

- ▶ HTML5
- ▶ Responsive Web Design
- ▶ Git & GitHub
- ▶ CSS3
- ▶ Basic JavaScript
- ▶ UI Layout & Structuring

PROJECTS

Amazon Clone — HTML & CSS

Personal Project

- Built a static clone of the Amazon homepage focusing on pixel-accurate layout and visual structure.
- Practiced responsive UI design principles, including flexbox-based layouts and component structuring.
- Strengthened core frontend development skills in semantic HTML and modern CSS styling techniques.

EDUCATION

Bachelor of Computer Applications (BCA) 2023 – 2026

Silver Bells Institute for Higher Education

12th Grade (Senior Secondary)

STRENGTHS

- ▶ Quick Learner
